

KG2 Weekly Newsletter

October 13th-17th, 2019

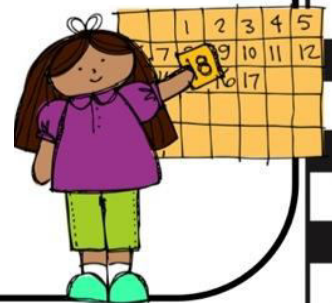

“Kindergarten Children are confident in spirit, infinite in resources, and eager to learn. Everything is still possible”

Math Chapter 3

We will review numbers 0-5, greater than/less than, equal and ways to make five. Students will be able to relate objects and number symbols.

Counting- Count and write to 8
Please practice with your child at home. For example, Make a group of toys or favorite treats. Ask questions, “How many do you see?”

Language Arts: unit 2

The topic this week will be Neighborhood

Stories: “Everybody Works”

Children will listen and respond to each story and will be able to make predictions about the story.

Phonics: 'Review previous letters that have been taught, Introduce letters (c and k) students will be able to recognize the letters and write upper and lowercase independently. Identify beginning sounds.

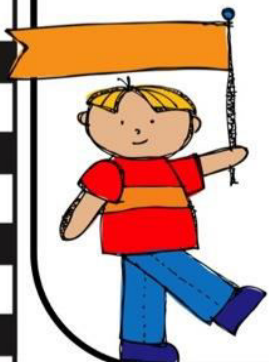

We will also start blending short vowels /a/i/ for example: Bat, can, tap, sit, tip, pin
