

KG2 Weekly Newsletter

December 1st - 5th, 2019

*Never say,
"I can't"
Always say,
"I'll try"*

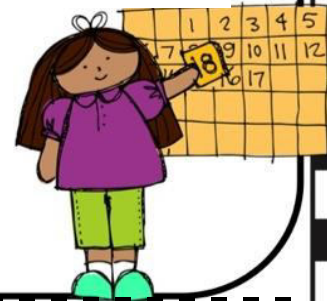

Math

Counting and writing Numbers 11-12
Problem Solving use numbers to 15

Important question: Ask children how can you use objects to show 13 and 14 as ten ones and some more ones?

How can you show 14?

Possible answer: I can fill a ten frame and then show four more.

Language Arts: Unit 3

We will continue on the topic: **Matter**.

We will review and discuss what matter is? We will learn and review the three states of matter: solid, liquid and gas.

Stories: What is Science

Children will listen and respond to each story and will be able to make predictions about the story.

Phonics: Review - letters and sounds learned.
Introduce letters: short /e/ reading CVC words.

Students will be able to recognize the letters and vowels and write upper and lowercase independently. Identify beginning/ middle/ending sounds and blend sounds to read simple words.

Reminders

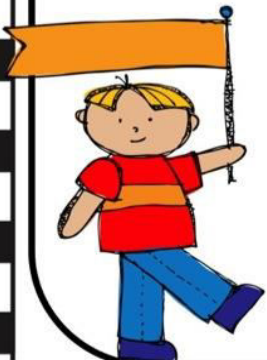

Please make sure the homework is completed and sent back by Thursday. Kindly review with your child what is done in class on a daily basis.
Please inform the Registration in case you have not received an E-mail from the school regarding the Plus portal program.

Photo week -December 1st- December 5th, 2019

High Frequency words: my, one, by.

Students will use the words in sentences. Please encourage your child to use the words frequently. Have your child look for the words through a story they are reading.
