## Language Arts: Unit 3

We will continue on the topic: **Matter**.

We will discuss what is matter? We will learn there are three states of matter: solid, liquid and gas.

**Stories:** "What Is A Liquid?!"

**Does liquid have a shape?**

Children will listen and respond to each story and will be able to make predictions about the story.

**Phonics:** Review - letters and sounds learned.  
Introduce letters: Zz/Ww/Uu.

**High Frequency words:**  
go, no, so

Students will use the words in sentences. Please encourage your child to use the words frequently. Have your child look for the words through a story they are reading.

## Math

We will continue with subtraction, by representing subtraction, within 10 with numbers and words.

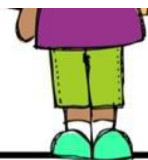

Review of addition to 10. For example:

How can we show addition as altogether?

How can we show subtraction by taking away?

Using expressions to represent subtraction by representing subtraction as taking apart.

3	4	5
10	11	12
17		

## Reminders

It is very Important that your child arrives at school at 7:15 AM daily. Dismissal at 1:00 PM, **except Thursday at 12:10 p.m.**

Please inform the Registration in case you have not received an E-mail from the school regarding the Plus portal program.

Please be sure your child wears the proper Ajial uniform and their student ID. November 28<sup>th</sup> International Day!
